

Pipe sensor clip

These clips are used to snap the temperature sensor 023-0072 and 023-0076 to the pipe.
For more temperature accuracy wrapping with isolated tape is recommended.

Material: Stainless steel 301

Temperature usage: -50° to +150°C (-58° to 302°F)

Use appropriate size, many pipe sizes are available:

OD Pipe size	H	Clip part number
.375" (3/8")	.683"	252-0010
.500" (1/2")	.807"	252-0011
.625" (5/8")	.932"	252-0012
.875" (7/8")	1.175"	252-0014
