**TO: MT ANNOUNCEMENT**

**SUBJECT: CASE CONTROLLER MANUAL**

The Case Controller Installation and Operation Manual has been completed and published on SporlanOnline.

For your convenience, an electronic copy is attached to this email. The manual can also be downloaded anytime from the website – by selecting 'Manuals' on the Micro Thermo section or by using the following web address:

<http://sporlanonline.com/micro-thermo/micro-thermo-literature/>

If anyone needs a printed copy, I have a few available from our first, in-house run.

Regards,

Eric Rist  
Asst Product Manager – Electronics  
Parker Hannifin – Climate and Industrial Controls
