SUBJECT: CASE CONTROLLER LAUNCH SUPPORT PACKAGE

LAUNCH SUPPORT MATERIAL FOR THE CASE CONTROLLER

To support the full launch of the Micro Thermo Technologies Case Controller, a collection of materials and documents is available.

The following materials are available in the launch package:

- High resolution images of the Case Controller enclosure and internal PCBs
- A copy of the Case Controller advertisement from the Dec 2012 issue of RSES
- A copy of Rolf Blom's article "The Case For Case Control" from the Dec 2012 issues of RSES
- A copy of the Case Controller installation and setup manual, Bulletin 100-50-10.1
- A copy of the Case Controller cut sheet, Form 100-384
- A copy of the latest Engineering drawings for the Case Controller and wiring (rev 3 and 10 respectively)
- An image and drawing of the optional metal enclosure for the Case Controller
- The Case Controller launch press release from FMI2012
- A reference list price sheet for the Case Controller and accessories (for internal use only)

The launch package (as a zip file) is available on the Micro Thermo literature sharepoint site:
